I love you and will miss you so very much, you taught me a lot over the years, from the age 11 till now! I have learned how to cook the country way, how to crochet and sew and quilt, from you! You even help me make my prom dress that your son took me too! I can remember it to this day! I will do my best to keep your memory alive, pass down what you taught me to Aurora, she has that artistic, crafty interest, that she will know where it came from! Rest in Peace, your loving Daughter in law, Ginger
