Mary Patricia Nichols

May 29, 1939 - March 15, 2011

Nichols,(nee Sliger) Mary Pat of Dearborn Heights, Michigan, formerly of Sault Ste, Marie, Michigan on March 15, 2011 surrounded by her loving family she took the hand of an angel and touched the face of God. Married 50 years to her loving and devoted husband Bob, together they had 3 children and 6 grandchildren whom she adored! Michele (Jim) McGinnis; Kris (Rob) Kerchen; and Rob Nichols. Loving Grammy of Megan, Shane, Zachary, Joey, Patrick, and Carly. Devoted sister of Kathy and sister-in-law of Greg Greco, loving sister-in-law of Doris Zemetis. Loving aunt of Ryan, Josh, Sharon, Karen, Richard, Susie, Pam and Judy. Mary Pat was the beloved daughter of the late Fred & Pat Sliger of Sault Ste. Marie, Michigan.; daughter-in-law of the late Joseph and Marie Nichols of Detroit, Michigan. Mary Pat is also survived by numerous extended family members and life long friends. Mary Pat managed Vic Tanny/Bally Health Clubs for over 25 years and was a receptionist for Dr. Estigarribia for 11 years. She loved spending time with her family and pets; reading; and keeping up with friends and family on Facebook. She vacationed in the Soo every year where she kept connected with her Maple Street family and high school friends. Mary Pat loved watching all of her grandchildren excel in sports or anything at all they were involved in. She was always their biggest fan and supporter; showing off her family to anyone she met was one of her favorite things to do! Mary Pat never met a “stranger”, she was a class act who put you right at ease with her quick wit, enchanting smile, storytelling, and wicked sense of humor. This amazingly talented woman was also proud

of the fact that she was the 1957 Mackinaw Bridge Dedication Princess, representing Chippewa County. A celebration of her life will be held at a later date. My Sweet Mother, I know you know how much I love you and how proud I am to be your and Dad's Baby Girl!! I am so honored to have been told all my life how much I look like you and how much like you over all I am. I can't count the times I do or say something and know immediately that you would of done or said the same thing. It breaks my heart & soul to know I won't be able to hug you, kiss you or talk face to face with you but you and Dad raside me to be a strong independant woman & I will carry on your legacy as best I can. I know that as much as we miss you, you are with so many family members and friends in heaven now and that gives me great comfort. I do not want you to worry about us or Dad because we will all take care of each other. You have given me so many wonderful memories and so much love throughout my life, I try my best to pass along those same things to my children who love & miss you so. Thank you Momma for being you!! Love you Always & Forever, Kris (Rob, Shane, Zach, Patrick & Carly too) God is a lucky man to have you in his arms....

*Mom you were there for me when I was sick, you kissed my boo boo's when I was little, you wiped my tears when my heart was broken, you helped me pick out my wedding dress, you were there when Megan was born and babysat her when Joey was born. You sang the Five Penny song to Megan and then to Joey, you were at all their events through school...We spent so many fun times together, all our vacations, Friday night's when we had Bloody Mary's and Nacho's. The party's and picnics, shared bottles of wine and just plain having fun. My heart has a huge hole in it and I miss you so much. I pray that our last weeks together were comforting to you. You and Dad taught us so much....we are living by your examples. People say what great kids we are, but I say that it is the way our parents raised us. I love being your daughter, buddy and later your caregiver.....I will miss you forever and love you for all eternity. Jim, Megan,Joey and I will take extra special care of Dad...you can count on that. Someday we will be together again, until then I will speak to you in my heart..... Love Your First Born xoxoxox

I only know Mary by name as the mother of Ron but I am assured she is treasured by all that know her and loved very much by her family members. I only ever talked to her by telephone on a sick dog but was able to feel and share her laughs as we spoke. Even across the miles only on a telephone her well wishes were given to a stranger on their own sickness. Thank You Mary for being you! Paula at HyVallee Kennels She is Gone By Anonymous You can shed tears that she is gone or you can smile because she has lived. You can close your eyes and pray that she'll come back or you can open your eyes and see all she's left. Your heart can be empty because you can't see her or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back or you can do what she'd want: smile, open your eyes, love and go on.

Dearest MaryPat, The moment I saw your healthy, beautiful face I once again begin to cry. This is how I will always remember you. A treasure to behold. A beauty inside and out. Always thinking of others. You lit up a room wherever you went. I miss you soooo much. This is how I will always remember you. Your photo brought back many memories of all the times we shared together with our children and grandchildren. MaryPat, my love, one day we will be together again, please save a place for me. Watch over all of us. I will be looking for that special star along side my Jerry.

Mary Pat was one of my best friends in High School. I have many fond memories of football games, dances,slumber parties.,and walking to church (of course down the main drag is Sault Ste. Marie, Mi)I will always remember her bubbly personality. We got to spend time together at our 50 yr. class reunion and I am so thankful for that. I didn't know her children, but if they are anything like her , they will be blessed in life.My prayers go out to Bob and the family. Just look to the heavens and the sparkling star will be her, smiling down.

Our dear Mary Pat will be missed so very much but never forgotten. She brought such joy to all who knew her. I have so many fond memories of so many happy years with her in my life and Tyler's. I remember when I was a little girl of about 4 or 5 yrs old. We lived across the street from one another. She would cross me to come over to her side of the street and play with her son Rob and our other neighbor Mark. So many years together with many many happy times. I remember when my dad passed and she was there to hug me and hold me up. I remember her holding my face telling me to watch for butterflies and telling my son to watch for the brightest star in the sky....they'd be signs from my dad. She also then said to me and shaking her finger at me "... and don't you cry when I go. I wouldn't want that because you'd make me cry too and I don't like to cry." God bless her soul. It's as if I can hear her each time my eyes water now. She loved my son so too. I know she's watching over us now and will be there to protect us and guide us all. Heaven has another angel. Until we meet again my dear friend. I will miss you. Hugs & kisses dear friend. You've blessed my life just by being you. With love.... Patti & Tyler McGinnis

Words will never express my sadness. I will always remember my dear god-mother. The great times we had at family picnics where she got thrown in the pool or cake smashed in her face and always laughed. The great times in Florida. The flare she had for becoming the center of attention. You will be missed give Rick a big hug and kiss for me. Love you

Mrs. Nichols will be truly missed. She was our extended family for the many many years we all shared together on Brookside Drive. Her care & compasion we one of her greatest gifts. She once told Timmy that my dad who also passed a few years back that he would be there every night with him, all he had to do is look for the brightest star in the sky & there he was. Now she can also be there with him, together as two bright shiny stars in the skys above, in heaven and out of harms way & pain. We truly will miss her deeply. All our love, the O'Maley's.
