I remember Richard as a kid who loved helping the neighbor boy across the street folding papers when he was too young to have his own route, then later he had his own paper route. It was fun to Richard; it wasn't work.
My mother & I walked to his parent's house a block away in the evenings & Richard and I would play together. We were close in age, his dad & my mom were cousins.
We are very sorry for your loss, Mary, Kenny, Laurie and Richie.

So sorry to hear about my very favorite Uncle, Richard. My brothers and I have such fond memories of spending time with our cousins at Uncle Richard's and Aunt Mary's house.

I loved my Uncle Richard for his many endearing qualities, but what stands out in my mind was his keen sense of humor and his beautiful laugh. I remember summers spent at the park picnicking, playing baseball, watching airplanes and just being together. I was always amazed at his impressive knowledge of the game of baseball. My mom told me she used to take him to Tigers games when they were children living in downtown Detroit and even as a very young boy, he knew all the players as well as their stats.

A piece of my childhood left me yesterday but will forever remain in a special place in my heart.

God bless you, Aunt Mary, Kenny, Laurie and Richie. I love you all!
