to Fred, Al, and Dave I offer my sincere sympathy. We were neighbors on Grange in Trenton and shared much laughter. Sally had the 3 boys and we had 4 in the same age group and the stories never end. She was so much fun, and my boys got so much enjoyment as she thought she could control those kids, but was a big pushover. Just yesterday before we knew she had passed my sons were talking about how they played ball in the backyard and Sally would yell at them for walking on her garden. She gave many laughs to us that we will not forget.
