“ Ms. Ann I'm so sorry to hear the passing of Mr. AL. I just found out today, July 30th from a former care giver. I will never forget him coming to the salon inside Macy's Westland for his massages. Him later seeing me for his pedicures. I was glad to see him January 2020 after not see for 3 months, he told his caregiver to take him to see his girl. I was happy to be called his girl. RIP Mr. AL

“ Al was a gentleman in the truest sense of the word. I grew up next door to the Judges, babysitting for Julie and Sharon, watering the garden when they were on vacation. Years later, when I returned with my own children, Al always had a friendly hello, and kept a quiet friendship with my Dad. although it's been many years since I've been to Livonia, I know he will be missed. Please accept my sincere condolences.

“ So Sorry for your loss, Al was a good friend who was the President of the Livonia Goodfellows for several years. His leadership changed the way the Goodfellows raised donations in the Livonia Community. He along with all of the other volunteers made sure there was no child without a Christmas every year. He was a good man who helped many people. Jim and Marcy Watters

“ Al Judge was a founding member of the Great Lakes Chapter of SPAAMFFA, and its second President. His specialty was fire apparatus judging. Al conducted numerous seminars on this subject.. He was a real gentlemen -- quiet-spoken but very knowledgeable in many areas, which he was willing to share with everyone. I last saw him at the GL annual meeting in Ypsilanti last November. He was visibly weary, but so glad to just be there. He will be keenly missed by many of us. Rest in peace, Al.

“ Al was a friend and a fellow fire engine buff. Walt McCall and I took him to a fire truck meeting last November and had a great time. He made a model of one of my trucks...and I helped him write "the Livonia Fire Department History book". He was a 40 year friend.
Just a perfect gentleman.

“ Sorry to hear of Al's passing. We are former neighbors and friends. Al was a great neighbor! Always a treat when he brought the fire engine home. The kids in the neighborhood would just ogle it! Blessings to the family.
