“ Sorry to hear of Chet’s passing. Chet asked me to help him coach the Connie Mack baseball team. It was one of the best times I had as a coach he made it easy and fun. I can still remember David hitting that triple that won the game and a trip to the Connie Mack World Series in New Mexico . And I got the biggest bear hug from Chet at the end of the game. I tell people all the time the best amateur baseball word series is the Connie Mack World Series and Chet made it possible for me. My thoughts and prayers are with you Barb, Scott, David and Brian

“ Our memories of Chet go back a long way as Barb is our cousin. One of the earliest ones was when Chet and Barb were married. Our son was the ring bearer and during the ceremony, he proceeded to drop the ring. As we began to panic, Chet just calmly turned around and gave us that smile of his. Another is when we used to go golfing in our younger days. He would amaze me by never using a wood, but still outdriving me. We have many other memories, but not enough time or space to tell them here. Our sorrow at your loss goes out to Barb and the family. Chet is in our thoughts and prayers.

“ Barb

I am so sorry to hear about the passing of Chet. My heart aches to know that Chet is no longer with us. He was an amazing man and I will always remember his smile and kind words. I pray that God will continue to hold you, the boys (young men) and your family in the palm of his hand. Chet was genuine and caring man and his time on this earth touched many lives in a positive manner...me include. I was blessed to have known him and I will continue to pray for you and your entire family during this difficult time.
