“ To Don a dear friend indeed
Always ready to help those in need.

A good golfer, but not a pro
At bridge a great partner we all know.

Cruising with Laurie, Sandy and Steve
A favorite with Don you better believe.

Also a beer and burger with the guys
When bridge was a game for the wives.

You are too soon gone our friend
But we will all see you soon, around the bend.

“ Don was a beloved part of our bridge family, torn from our midst far too soon. Such a bridge player and a great friend to everyone he met. Always ready to offer a smile, a bit of humor and a hearty laugh to lighten any seriousness! He was an expert at numbers and a master at tallying the bridge scores. He loved good times with friends, good food, and especially good bridge desserts. Sharing so many years and memories, but now a pause until we meet again. Sending our heartfelt sympathy to Laurie and all the family as we share in the grief of this great loss. Mike and Linda Becker

“ My friendship goes back to 1964 when I met Don at Ferris while pledging the Delt Sigs. We had some great times at Ferris as well as to present day. Alumni canoe trips, golf outings, dinners with various friends, various parties, bridge games, and oh yes, Don did enjoy a good party. His sense of humor along with that great laugh of his. Too many memories that hurt to even talk about or mention. I am very sorry for your loss Laurie and to your family. He has left a hole in the hearts of many, Patti's and mine included. He will be missed.

“ Rick - Thank you so much for the kind words about my father. He was the most amazing father, husband, and friend. There's not one person that had anything bad to say about him. He loved with his whole heart and we all loved him just as much! The family and everyone that that he came into contact with are completely devastated by his loss. I hope it brings you comfort knowing that he was in no pain when he passed and he was surrounded by his loved ones letting him know how much we loved him and how much we knew he loved us.

“ Sara, Thank you for your words and response. I have contacted some of the fraternity members and they are shocked at Dons passing. They want to know when the memorial service will be and I told them I would let them know as soon as it is planed. When I talked to Brady today we shared some memories of your dad and I had to end the call at one point because I was starting to break down. He was a true friend that I will miss very much. Patti and I will see you very soon to share more memories. Thank you, Rick
