“ Gregg is a great man and previous employer who became an wonderful friend. He and his lovely wife meant a great deal to me and my family and we will miss them dearly! Rest easy my friend. We will see each other soon enough and have a few drinks to celebrate. My heart is broken!

“ This is very sad news. This is Sandy Susalla Carter, former next-door neighbor in Winston. I would run into Gregs frequently and he always gave the best hugs. We got married on the same day of the same year. I am so sorry of this sad news and will be praying for the family. I think of your whole family often, Barbara I miss you.

“ Dear Larry and Mary Ann,

So sorry to hear of the loss of your brother. Our prayers are with you and your family. Gregg will be sincerely missed. Losing a family member is especially difficult. Coincidentally, Sue's sister passed away on August 17, and we can appreciate your thoughts and feelings at this time. It is helpful to share our grief with family and friends who bring back many happy memories. As they say "God writes straight with crooked lines." Sincerely, Gayle and Sue Moser

“ Such a good good man..characteristics so reflected in your sons. I wish we'd had more time together, just a few wonderful years with you, Mark and Mary during our CC Drumline Days. The best of times with the best of people. We will always be here for Mark...he is family and very loved. Watch over us all Gregg And Mary... Until we meet again

“ What I loved about Greg...
Ever time I saw him or spoke with him on the phone...he always greeted me with a smile in his voice while saying my name...as if to say...where have you been? I can hear it now!
I know God greeted you the same way into His heavenly Kingdom!
God rest your soul Brother...You were a good Man!

“ My uncle Gregg had an ear and a heart for music. A live band at a wedding would grab his attention while everyone else chatted. He'd say "this band is a drum band", and would ask the drummer if he could play the song "Cute" by Count Basie. I believe he stumped them - they couldn't play it, but it turned me on to Count Basie. But I learned a lot more than music from my uncle. He taught me how to operate lift trucks, how to drive a 1955 Ford Jubilee, how to destroy the prop on a boat trying to navigate the shallows around Old Mission Peninsula (and then how to befriend a passerby boat to give us a tow back to land), and that a Tiger's tailgate was just as much about sharing our burgers and brats with the homeless folks outside Comerica Park as it was about good times with family and friends. My uncle was a great uncle to me, and like Aunt Mary, this is all too soon and heart breaking. Gregory and Mark, the family stands strong and united with you. Uncle Gregg, rest in peace and may you walk a closer walk with thee.

“ My condolences to Greg, Mark and the entire Zdan family. I graduated with Gregg and saw him annually at the Summer Blast. In the school years, Gregg was always the guy with nice smile, a friendly word and a wonderful shoulder - a true friend to all. Later at the Summer Blast, I had the pleasure to reconnect with him and his beautiful wife Mary. If there were ever 2 sole mates - it was Gregg & Mary. The way they spoke to one another, the looks they shared and love that showed through, was awesome to witness. When I ran into Gregg after Mary's passing, you could tell his life had severely changed - the light in his eyes was gone. I felt so bad for him - we talked for a while about her. I was just there to listen. He was also proud of his sons & the men they had turned into. I wish you both nothing but happy memories of your Mom & Dad. Keep those memories of happier days close to your heart - always!!!!

“ The last five years of my Dad's life he was pretty much house bound. When I would be there Gregg would occasionally stop by with some beer to visit. Dad would tell the same stories over and over about himself and Uncle Steve and Gregg would patiently listen. Gregg would also get us to commit to meet him at a local restaurant for Taco Tuesdays of which we did.

My Dad sure enjoyed those visits and to show his appreciation wanted to recognize Gregg with a gift after his death. When I presented the gift to Gregg he was very grateful and humble saying his actions were nothing as it was simply what Zdans do! I will always remember that

“ We have been friends with the Zdan family for many years, from All Saints, Boy Scouts and Knights of Columbus. They have always been the best friends possible. We mourned the passing of Mary and now Gregg. I looked forward to seeing Gregg on Tuesdays at the KoC where he would occasionally share his opinion on the state of things. Go in peace my friend to be with Mary. We will miss you

“ We miss you Gregg. My favorite memory of you was our roadtrip to New Orleans. With your brother Larry and my sister Denise. Had such a great time because I had just turned 18 yrs old. On the trip back to MI. we stopped at a dive and met up Uncle Mike and Aunt Noreen. Little Richard was performing. Thanks for being part of my life. Hugs for your family. RIP my friend.

“ Although Gregg and I have not seen each other for a number of years, I have so many warm, fun, and crazy memories of us growing up two blocks from each other. Neighborhood fun, school, scouts, music, camping in the summer, and just driving around (and around and around) on Friday and Saturday nights. Gregg was kind, pleasant, and generous, had a good heart and a good sense of humor. He was also pretty much up for trying and doing just about anything, and managing to stay out of trouble (and helping to keep the rest of us out of trouble) while doing so (well, at least most of the time).

My deepest condolences to Steve, Larry, Patty, Barb, and of course sons Gregory and Mark, and the whole Zdan family.

“ The cold Halloween nights were no match for the warm hearts at the Zdan home. I never missed one of those block parties and Gregg was always there to help out and make everyone feel welcome. Over the years he and his family made everyone welcome and I was honored to be part of that experience. Whether it was a trip to a Zdan gathering or a trip up to the Mission Peninsula (in the rain) on a camp out his friendly spirit cut through the gloom. I'll always remember you and the good times. Rest in the arms of the Lord.

“ The last time I was visiting the K of C was 6 years ago and I ran into Greg at the lounge. He brought me up to date on all the members and showed me all the improvements to the building. I hadn't seen or talked to him for years but after 10 minutes it was like I never left. A great guy with true charitable spirit.

“ My husband and I first met Gregg and Mary just a little over 32 years ago when we moved in next door. We were just neighbors at first with nothing really in common since we had a two year old and Gregg was busy traveling the world working for Drexel. But then somewhere over time we learned we had the love of music, flowers, gardening , strong faith and love of family in common. We grew to become friends that just happened to live next door. Over the next 32 years we gardened together , had Fathers day at Zdans , pool days in our backyard and endless weekend nights of dancing in Zdans family room with Dubinas and Browns until 3am with Gregg saying “ just wait, one more song. Listen to those horns in this song!” Gregg would always say to us we were the best neighbors possible , the salt of the earth but really... he was. We will miss him terribly as he now joins Mary but we know that they both instilled those same strong values of faith, friendship and family In Gregory and Mark and they will carry on for them.
