“ Dear Beloved Family, each and every one, Our hearts and love are with you during this difficult time. Jane was a lovely lady and was a loving, devoted grandma to my son, Ryan. There are many fond and loving memories of her which will always remain in our hearts. One of the memories I cherish is when she taught me how to can garden tomatoes over 30 years ago, sharing her years of tried and true expertise to ensure success with them. Another very fond memory was playing cards with Jane and Foy in the evenings, laughing and having a good time! Carving pumpkins in the basement of the farm house was another fun memory- Remember the mouse squealing under the freezer? (I DO!) Those toasted pumpkin seeds were so delicious. I recall Foy coming down the road riding his farm tractor to till our yard for a garden. Jane and Foy were the best. As I was a young mom, Jane mentored and taught me by example many things that I still apply in my life to this day. It was an honor to know and love her... Gratefully, Linda and Roy
