“ I have had the honor of taking care of Madeline since 2013, for the past 7 years she has become family to me. There were so many good time to count, I remember she was always fixing our clothes if they were not on straight or pulling our shirts down if they were riding up, we couldn't leave any snacks around because if Madeline wanted it she was going to eat it(this went for anything hot to sweet). I remember she always requested salt for her food and she seems to never get enough of it. She was such a godly lady, she could still resit The Lords Prayer until very recent, if she was getting upset all you had to do was give her the bible or play some church hymns and she was perfectly fine. Madeline will truly be missed. My condolences to the family, i love you guys.
