

## Marie Dorothy Eggly

December 1, 1912 - February 26, 2009

Marie Eggly passed away February 26, 2009 at the age of 96. Beloved sister of Edward (Laura) Eggly. She leaves behind a wide selection of nieces, nephews, friends and collections. Marie found beauty in just about everything; and she brought out the best in just about everyone. She will be missed by us all. Arrangements handled by Vermeulen Funeral Home, Westland. To share a memory, please use the view and send condolence link on this page. As featured in "The Patriot" newsletter, March, 2008: Smiles From Marie Eggly She has been a Michigan resident her whole life, and during many of those years she has been an ardent collector of a number of things, such as her eighty-five plus smileys (ranging from pencils, toilet bowl brushes, cups, stuffed pillows to everything in-between). She is the second oldest of eight children. She had worked a job she loved for forty-five years six months and five days at Sherwin-Williams Paint. She enjoyed quilting and embroidering. She has two ribbons, first and second places from the Michigan State Fair, for her quilts. She helped raise money for a church by donating embroidered pillowcases, which helped repair the church and buy a new organ. Her largest, most accomplished collection was of scrapbooks of celebrity obituaries. She started in 1965 with Jeanette McDonald. She has put together thirty-four books. Her niece, Danielle, shipped the collections to Margaret Herrick Library in Beverly Hills, California, for many to enjoy. She also has an antique plate collection of eighty pieces. Her owl necklaces are very special to her, as are all the butterflies given to her from many exotic places. Some of the places that she had dreamed about visiting and has done so are... The New England States, The Grand Canyon, New York, San Francisco, and the most special of all, Mount Rushmore. Fall is Marie's favorite time of year. Then, when the weather starts getting colder, she says, don't fret, "It's beautiful!"

“ Dear Marie, and of course her Beloved Family. I was so very "Sad" to hear of My Friend Marie's passing, She was so very special to me, as "All' Of my residents at "Liberty Park Senior Apartments", I was once the Assistant Manager and later the Activity Director until August 31, 1999. Wow, How I hated leaving there. I'd still be there had American House bought us out. I visisted Marie at her Apt. through the Years, as well as other Residents, now there are only a few original Residents left. Which is so sad to me, All these wonderful women and men were just like my very own family. I started my Day with them, many hugs and kisses and my days ended with them also. I cannot begin to tell you how rewarding this job was. I still talk about all of them, they were such "Great" people. I miss every day "My Residents", as I called them. Marie, Was a very kind Lady, I will always think of her,each time I see s yellow smiley face or the color Purple, or old Movies, Marie and I both collected the articles about the movies stars who passed away, she told me once she could not believe someone else collected like herself. After, the gave her collection away, she gave me a bunch and she was waiting for me to come back over to get some more, I just didn't get there again, but Marie you were never far from my thouhgts or my Heart. You are surely an Angel now, I will miss you I am so glad I got to know you. Thank you for all you gave me. Goodbye till we meet again. With Love, Dolores
