“ Mark, my old dearest friend. We had a lot of of good times together at Skateland and the Drive- In at Wayne and Algiers. I remember your silver Monte Carlo, and how well you kept it clean and waxed. You would take it to hines park and I watch you wax it. You were always a nice and funny guy and fun to be around. I remember when you married Alayna and had little Marky and you guys asked me to be his God Mother that was of great privilege and I was so blessed to be asked. Thank you fir all the good times we gad together and friendship we had . I'm definetly sad to hear about your passing and sorry we list contact over the years. You were my best friend back the and I'll never forget what we had and what we shared. I often thought about you and wondered what happened to you. Mark RIP. Miss you

“ So glad I got to see you one last time. As I told you then, you were my first love. First loves are always the most special because the love never dies. You meant the world to me when we were younger and I'm grateful for the time we had. Much love to you. Always, Peggy Pierce

“ I only knew him for a year unfortunately but he was the so well like by all who knew him at Meijer customers and coworkers alike. He took pride in everything he did and was so friendly. I will definitely miss him at break time, it's sure a lot quieter now. I heard a lot about his family and I am sorry for your loss.

“ Wow. My old neighbor. Many days of playing baseball and a lot of curb ball. Always remember a great family with parents of English accent. My heart and prayers go out to the whole family. We have went our ways but will always hold the good times we had in my heart. My brother Jeff has been gone for 12 years and still laugh at some of the times we spent together with Craig and mark.
