“ I had the pleasure of getting to know Mike years ago when we worked together and sat near one another at WCLS. He was such a kind person with a gentle demeanor. He was always supportive and we shared a lot of laughs. I am very sorry to hear of his passing, but very glad that I had the chance to share his friendship. My thoughts and prayers are with those effected by his loss (and there are many more than you know.)

“ Mike was a very loved man. He was always concerned about others around him and never of himself. He was brave, kind, and empathetic. He will be missed by those around him. God Bless all of you and may Mike rest in peace.

“ Dear Bonnie and family: You have our deepest sympathies on your sudden loss. I (Melissa) have known Mike for 9 years and Brian for many, many more. May he be at peace now, resting comfortably, and pain-free. I know you and your family will miss him dearly, and allow yourselves that necessary time to grieve. Remember, however, that Mike, with is exceptional wit and sense of humor, wouldn't want you to grieve forever. I'm betting there isn't a person around who doesn't know how you are feeling, in their own way. Remember him fondly, although this may be difficult at first, eventually your memories will bring you smiles instead of tears. We were blessed to have known such a kind, loving, yet strong man. He will not be forgotten.
