“ Much of my childhood fabric is woven with the memories from time spent with all my cousins, aunts and uncles. Uncle Jim and Aunt Joy, Uncle Dick and Aunt Nora and Uncle Skip. I consider myself so lucky to have all those holidays together and times spent at the cottage. Nora, in no small part, made me feel like I was part of a special, large and loving family. I thank Nora and all of the Reomes for that!!

I will always cherish my memories of Aunt Nora, you will be missed.

“ My memories of my Aunt Nora were always celebratory in nature. When we would gather as a family during Christmas, Thanksgiving, Fourth of July, etc.... it was always fun and Nora was right there in the middle of it. She brought a uniqueness to our family that I enjoyed. With Nora being born and raised in Mexico, I always wanted to learn more about her life. One of the biggest things I enjoyed was trying to converse in Spanish with Nora. She would look at me like a was speaking Chinese, as my Spanish was horrible. Nonetheless, she would laugh and help me in our dialogue. I remember Nora as a sweet, caring aunt, who only raised her voice when Skip was playing cards too slow!

Nora, gracias por ser una tia tan. Todos te amamos y te extrañaremos! Tom Cotter

“ I have so many great memories of Aunt Nora. We had so much fun playing cards at the Holidays and at the cottage. Nora taught us how to play continental rummy and that was always are “go to” game. So much fun ! I also remember a time when I was really young and I stayed overnight at Dick and Nora’s house in Farmington. Nora’s mom was in town and they took me along to the Tel-12 Mall Midnight Madness sale and I thought that was the coolest thing ever. Nora was kind and fun and had a great laugh. We will miss her and remember her always. Cathy McLeod

“ I have so many good memories of Nora She loved my deviled eggs and I never make them with out thinking of her if she was coming to the cottage or going to Gwenn's for Thanksgiving I would always make them for her. We sure had some good times at the cottage playing her card game and we still do and always think of her. I was so happy she went on a Greece cruise with Gwenn and I. Our first night in Was in Athens and we were all jet lagged but signed up to see Halley's Comet at the Acropolis we climbed the 100 steps which was not easy but we did see Halley's Comet so glad Nora was there with us. We were on our way to Cairo and every one keep asking Nora and I if we were going to get. Cartouche course we didn't know what they were but we said yes (didn't want them think we were stupid). Yes we did get them. A special treat for Nora wa being in Jerusalem. She said her father was either born there or lived there and it seemed to be very emotional for her but a good feeling she also said here fathers sister worked in a hotel there when it got bombed and she died in it It was a fun trip for us but almost had to leave Nora in Amsterdam but it worked out and she got home. A few months after that she became an American citizen and we were very proud of her. Miss you Nora

“ Some of our favorite memories with Nora are from going up north to Faye Martins cabin with the family. Always full of energies and ready for fun be it on the boat, shopping in Petosky, or laughing around a fire. We also remember trips to Mexico over the Christmas holiday. Sunning and swimming and dining on jalapeño sandwiches early in the mornings made by Tomasa! We miss you Nora! Love The Schuyler Family. Dan, Gina, Ava and Gigi

“ My favorite memories of Nora are her wonderful fashion sense and boy could she wear it well. She was always dressed to the nines as someone used to say. She never went anywhere without looking great!!! I used to have to tell the girls (Nancy, Nora, Mary Jo) when they would ask if I wanted to go shopping with them tell them that We shopped in different stores. As I used to say I had to run across to the Big Girl Store. Now I really didn't like shopping anyway so it didn't bother me that much. We still did all the fun weekends away stuff with our hubby's and I still looked fine in my clothes but I got to tell you being the only one who wore clothes over size 12 "or more" was not a walk in the park. Anyway She always had shoes with heels on as I remember. I stopped wearing heels the first time I got a blister. Fashion be darn no pain for me. Anyway we always had a great time together and She will be remembered for many things but I always loved to see what was next in her fashion review. Loved you Nora you will be missed!!!!

“ My first few memories of Aunt Nora were from a very young age. She pronounced my name as "Wennny". And it made me smile. I remember sleeping over a night at the first Farmington house and waking up to Nora making scrambled eggs with refried beans. Not sure if I ate them but I never forgot about it. I can picture Nora on many of Dick's boats, (Nora I or Nora II). She was always a good second mate. In my young years at the cottage, she taught me and many a close friend to play Continenal- Many a great laugh around the cottage dinner table with all of playing cards. That also brings up uncle Skip memories - Nora brought laughter into the lives of many at the cottage playing cards. Another legacy I credit her with is the famous Aunt Nora stuffed mushrooms recipe. It is the most requested appetizer I make. I usually have to make a double batch anytime I go to a party. They are known to my friends as Aunt Nora's stuffed mushrooms. As an adult, I took a cruise with Nora to Greece, Egypt & Isreal. It was then I discovered her passport had all her family names listed. She was pulled over and questioned by port staff as her maiden name was listed. It was then she told me many a great story about her father she's had admired so well. It was funny at first as we Americans never got pulled aside but Nora as always pulled aside. Then it happened - funny now but not then. It was on return flight Amsterdam-refused to let her board the flight because she did not have her green card. They said the US would not let her deplane without it. She and I cried - pleaded- braggged to let her on the plane. Finally, they let her board with the promise Uncle Dick would meet the plane in Detroit with the card. Now my memories of that trip are not of Giza pyramids or the acropolis but of us begging to let her on the flight home. My memories of Aunt Nora will live on. Love and miss her deeply.

“ I'll always remember: Knowing how I liked spicy food, having Mrs. Reome break out the hot stuff for us to try whenever Kevin and I were hanging out. Her south-of-the-border heritage came up with some pretty firey options for us to sample. I hadn't seen her in some years, but will miss her dearly just the same. - David McCollum

“ I remember meeting the prettiest girl I ever met at a local watering hole in detroit. It was all over for me. I dated her with chaparones until she called her dad and got permission to go solo. When she left back to Mexico city I realized how much she meant to me. Had to follow her back. Two marriages ensued civil in Mexico then the church in Detroit..The rest was history. I'll allways miss her..Some one said her laugh ..unmistakeable. And she called me "Richard" I love you Nora
