“ I am so sorry to learn of Pat’s passing.....but with her faith we can believe that she knows perfect peace. I worked for the schools and I was a PTA president and the high school band treasurer, so I had loads of opportunities to spend time with Pat. Pat a charisma that few people would ever experience and was beautiful.....quite a combination! She tried to contact me recently and I could not track her down. I wish that I could have talked to her! Finally, she loved her children beyond the moon! To them I say: You had a terrific mom!

“ I came to know Pat through her election to the Garden City Board of Education. She was ways a hard-working and conscientious member of the community; full of life and strong in faith. We held each other up during difficult times in our lives and I am grateful for her friendship. I can’t begin to imagine the loss the family is feeling right now. My sincere condolences to them all.

“ I'll always remember her smiling face and her boundless energy. She was a most caring person who found so much joy in her family. Her tremendous faith will help family during this most difficult time. She will be missed. A life well lived and gone too soon.

“ Pat and I grew up as neighbors since birth. Not a day our whole school years did we not walk together. And when we both drove was that a sight cause everything was push button. We laughed with first boyfrinds and talked about everything like our first kiss. We shared giggles and tears. I have so many memories of Patty and her beautiful family living next to me. I will forever hold them in my heart. May the Lord welcome you with open arms Patty Love ya forever and always

“ I am so sorry to read of Pats passing. We go way back to college days. Would have good FB talks and we'd both end up laughing at the situations. She will be sadly missed by family and friends. She is with Jesus and is singing His praises.

“ I am so saddened to hear of Pat's passing. She was a dear lady and meant so much to so many that she worked with at La-Z-Boy in the I.T. Areas and beyond. I will miss her encouraging words and that laugh snort that kept us all smiling and laughing. My wife and I will be praying for your family during this time. Blessed be the name of The Lord.

“ I had the HONOR of working with Pat at LZB. I also shared a bond with her given I had a health battle to fight 5 years ago. She never waivered in her support and prayer for me and I will never forget that! Watching her navigate her battle with pure GRACE and FAITH touched me unlike anything ever has or will. Rest in Peace my friend and enjoy the glorious Heavenly bounties you so deserve....

“ When I picture Pat it is always from my childhood playing with Katie and her sisters and she is always wearing a brightly colored track suit!
