“ I was very saddened when I learned about Aunt LaLa passing. She was a very warm and caring woman. I can not recall once in my lifetime when LaLa was around that a good time was being had by all. She was always happy to talk to you and she wanted to know how you were doing. When LaLa would ask you how you were doing, she was just not being polite. She really wanted to know how you were. I would tell her about work or whatever was going on. She would listen, nod her head, and take in what you were saying. Then when I was done she would ask, "Are you getting enough to eat?". That question always made me smile. I love you and will miss you Aunt LaLa.

“ To the only Grandma that God had given me, you were the sweetest lady who enjoyed telling stories from the past, who always knew how to make others laugh, who loved watching the Detroit Tigers, who enjoyed reading the Church paper, who always asked about our busy days, who made sure to tell me how pretty I looked (even when I was just in a pair of sweatpants and a sweatshirt), who called me after every Thanksgiving Day performance telling me that she saw me do “jumps and kicks” on National television, who loved eating any sort of Polish or Chinese food, but the Mexican combination plate was always her favorite, but most importantly my Grandma loved others and she truly loved her family. My Grandma loved being a member of the Holy Catholic Church.

My little brother said it perfectly, words that I will never forget, “Grandma is back with Grandpa and other loved ones. She has great hearing, mobility and memory.”

Grandma I will forever miss you. I will always think of you and I will continue to love you every single day for the rest of my life. I promise to celebrate you on what would have been your 90th birthday on Friday. May you rest peacefully and be our families forever guardian angel.

“ To our family and friends, thank you so much for being there for us during this trying time. From the cards, flowers, gifts, lit candles, pictures, prayers, words of support and sympathy. The fond memories of my mom that were shared with all of us were deeply appreciated. Special thanks to Father Zbigniew Grankowski, St. Barbara - St. Cunegunda Churches and Vermeulen - Sajewski funeral home. Thank you again from our hearts.

Sincerely,

Walter J. Oleszkowicz and Family.

“ Her reactions when visited were priceless. She always delivered a warming smile that I'll remember forever. The tradition of Mexican dinners on Christmas Eve will live on forever! Miss and love you, Grandma!

“ So sorry for your loss. Thoughts and prayers are with you all during this difficult time.

I still remember Ms. Oleszkowicz welcoming me over for Thanksgiving a year I had nowhere to go. She was so gracious and welcoming. Treated me like family. She will be missed.

“ I remember when I made a First Friday visitation to Dolores in her home. She was so gracious, humble, and welcoming - always welcoming with so much joy. She would always tell me, " Father, you are so busy with two churches. And other people need you." - i.e. who am I that the Lord should come to me! So much humility, always thinking of others. She had a great devotion to the Blessed Sacrament and Blessed Mary. I will miss her. We have a great intercessor in heaven for us during this difficult time.

“ I couldn't have been more lucky than having you as my Sister. You were always there for me, in good times and in bad. We always had a lot of laughs. I will miss you forever. I love you LaLa.

“ I loved her like she was my own Aunt. I have been with the Family 34 years and LaLa loved to laugh and loved her Detroit Tigers! Rest In Peace LaLa!

“ Our dear “LaLa” was a constant presence in the lives of my sisters and mine. She was our family historian and I loved to hear her stories of our grandparents. Her affection and love for us was endless. Growing up I do not remember a day without her. She was a special Lady and I already miss her more than I can say.
