

Tom P. Breneman

October 3, 1958 - June 7, 2020

Thomas P. Breneman or better known as “T-Bone” passed away on the evening of Sunday June 7th, 2020 – surrounded by beloved family and friends in Farmington Hills, MI. T-Bone was only 61 years old and was fighting a multi-year battle with Frontotemporal Dementia (FTD).

He was a loving, caring and compassionate father to Jacquelyn (Eric) and Pierce Breneman (Christina). Brother to Hank (Terry), Scott (Barb), and Lee Breneman (Angela). T-Bone also leaves behind Cheryl Breneman, whom he shared 21 years of marriage, 43 years of friendship and two beautiful children with. T-Bone is survived by an astronomical amount of loving friends, family and business associates whom he cherished dearly. He was the proud owner of an electrical manufacturer’s rep company, like his father Henry G. Breneman. His generosity was as big as his heart and he will be remembered by the endless smiles and laughs he handed out to all.

“ From day one when tbone came to BG, he spent every single day with me. It was almost like clockwork, he knew when I was coming in to work he would be standing at the back door waiting on me! He always greeted me with “I love you so much” or “hey, there’s my buddy”! He’s my heart, and as the time went on our bond just grew closer and closer together. My last words to him was “I love you” and I meant it! Family, of course y’all know we are family! and we will stay connected 🥰

“ I'm from the Sunrise where T bone spent his last days and I took care of him almost daily. He was so loving, kind, and sweet. We shared a special bond as if I was part of his family he knew that I understood him and cared for him. I grew to love my Tbone and he grew to love me. I called him my best friend and his presence is truly missed. Thanks for allowing me to meet such a wonderful soul...To his family you ALL are in my prayers..Love Alicia J. from Sunrise

“ So many memories with T-Bone while Jacquelyn and I navigated middle school, high school, college and "adult life"... he was always kind, always smiling, always making me feel welcome and part of the family. He really had a special way of making anyone feel right at home in his presence. I'll miss him but I know he's now resting peacefully, watching over the people he loves.

“ T-bone, I will miss you dearly every single day, I promise to take the best possible care of your daughter and love her with no bounds. I can't believe this is real, earlier this year I actually had visions of you and I riding bikes in Hines Park this year. Little did I know what this terrible disease had in store for you over the next 6 months. I know you know what you meant to me because I told you so many times, even before you were not doing well. I meant every word of it. I'll think of you every day and pray for you every night. I hope you can find my dad up there and have a beer with him. I love you, man.
