

## Vedaant Garg

July 10, 2000 - January 18, 2021

Vedaant Garg, age 20, Canton, passed away suddenly on January 18, 2021, Beloved son of Ashish and Aparna Garg. Loving brother of Vikrant Garg.

Losing Vedaant reminds us of a loss of so much potential – he was still in the process of becoming the person he wanted to be. He still had so much to do and see, so much love to give, so much life to live. As the people who knew him well could say, losing him also meant losing someone with an infinite well of patience and capacity for caring, and someone who fought fiercely for others with unconditional love. He may have been in the process of becoming, but he was already someone we were learning from.

Public visitation Wednesday, January 20th, 1-2:30PM, with Prayer Service from 2:30-3:30PM at the Vermeulen-Sajewski Funeral Home, 46401 Ann Arbor Road West (between Sheldon and Beck). Due to the State of Michigan regulations pertaining to COVID-19, visitors will be limited to 25 people at any given time.

“ Sending my sincerest condolences at this time. Vedaant was full of light, empathy, ambition, and passion. I'm beyond thankful I had the opportunity to get to know Vedaant at Michigan State. He always worked to push other to be the best version of themselves and share his learnings with others. Vedaant had a huge impact on my life and I will always be reminded of his passion for staying curious, encouraging and inspiring others, and his drive to go outside his comfort zone. My continued thoughts and prayers are with your family.

“ Hello Garg Family-

I was so sad to hear of Vedaant's passing. My thoughts and prayers are with you during this difficult time.

I did not know Vedaant well but during his time interning with Kellogg I learned about his desire to go into consulting. As a former consultant, Vedaant and I spoke about his ambitions and the benefits of consulting as a career path as he wanted to accelerate his learning by working with many companies in various industries. He was such a bright young man, naturally inquisitive and not afraid of a challenge. At the end of our conversation, I said.. "someday I will probably work for you!".

It breaks my heart to know we won't see what such a beautiful soul could have accomplished in this life but I image that Vedaant's spirit was called to another place in the universe were he was needed more and I hope that thought brings you some comfort.

“ It breaks our heart knowing that Vedaant was taken away from us so suddenly. There are no words that can explain the sorrow and pain we share with you. “ With deepest sympathy as I send my condolences to the Garg family. In the couple of years I got to know him, I was fortunate enough to be around his happiness, laughter, and humor. I was glad to share a few memories with him, from rooming together on our Chicago trip to pulling all-nighters on finals week. Vedaant was easily the hardest worker I have ever met, and that shows through his many accomplishments and success.

I will miss you, love you lots My thoughts and prayers go out to the Garg family. Rest in peace Vedaant

“ Sending the Garg family my heartfelt condolences. Vedaant was a wonderful, kind, and humorous person that worked so hard in everything he did. Knowing him from middle school, I remember all of our band shenanigans, playing the Avicii song "Dear Boy" almost everyday for 2 years. I will never forget his bright personality and shining smile. Attached is a photo from Model United Nations at our state capitol during sophomore year of Troy high. Rest now, I will never forget you Vedaant!

May we find comfort in our hearts to know that his life was a gift to everyone who had the privilege of sharing it with him. RIP Vedaant .

“ I'm so sorry for your loss. I've been friends with Vedaant since middle/high school, but I feel like I've known him all my life. I'll never forget all the times I've spent with him - ordering Jet's and staying up all night to watch movies and shows, talking about life (as much life as we knew as 8th graders), cramming for classes, playing games on the PS4 and on the tennis court, finding ways to laugh over nothing, the list goes on and on. He was a wonderful person and I am forever grateful that I was able to call him my friend. He will always hold a special place in my heart. May he rest in peace. My deepest sympathies to your family.

“ My heart goes out to the Garg family for the loss of our beloved Vedaant. I was fortunate enough to have seen Vedaant growing up and it seems like only yesterday when I was holding him in my arms trying to get him to eat something. Although he was not related to us by blood, he was a part of our family and it is difficult to imagine a world without him. I can still see him in his family home talking about his future and internship with great joy and enthusiasm. He was so happy to share his experiences with us and his parents and brother were extremely proud of him as well. Even though he found success through his strong work ethic (a trait that his family members all share) he was a very humble young man. Vedaant was a true example of what a compassionate, talented, and kind soul looks like. May we find comfort in our hearts to know that his life was a gift to everyone who had the privilege of sharing it with him. I will forever miss him. My love goes out to Aparna, Ashish and Vikrant.

“ Vedaant was a brother to me. I am devastated by his loss. Vedaant had the kindest soul and always had a smile on his face. I will never forget our trips to Chicago and Tennessee. He was a hard worker, a great listener and I miss him so much. I will never forget the time we had together. I love you Vedaant.

“ I worked with Vedaant for only a short time, never meeting face to face due to Covid. From the first meeting to his last, there was no way that the person on the call, rigorously driving a supplier meeting, keeping focused, calm and composed, was an intern. A brilliant young man. After one particularly tasking event he called me and asked "What do I need to do better to keep this moving forward?". My reply was simply "Nothing, you handle yourself like a 10 year pro". On his completion of his internship at Tesla we chatted. I invited him to Grand Rapids to tour our die shop and wished him to return to us next year. I am saddened that our meeting will now never happen and that the world will not see what this incredible person was bringing to the future. My sympathies to his family for your loss of a cherished young soul.

“ This is really well-said about Vedaant. I just learned of his passing today, and as someone who also worked with him at a previous internship, his future was bright!

“ I still remember the day when Vedaant and I started working at Tesla together. I am shocked and beyond words to hear this news. He was amazing and determined at what he did and had great work ethics; he always had a positive attitude to approach things. We started as co-workers at Tesla, but he also became a good friend of mine. I am grateful to meet Vedaant at Tesla and will always remember his great personality and kindness. I share my condolences and will remember him and his family in prayers. Rest in peace

“ Vedaant and I started as interns at Tesla together. We leaned on each other through onboarding and remained close through our internship. Despite late nights and any obstacles put in his way, he always remained optimistic and helpful to those around him. Though I knew him for only a short time, I'm lucky to have called him a friend. Gone too soon, Rest In Peace.

“ It's sad and shocking to hear this news. Vedaant was a brilliant kid with great potential. He worked with us at Tesla through one of the tough times the world has seen. One of the best minds I have worked with. I am grateful to have had his acquaintance. From all of us, his teammates here at Tesla, we share our condolences and pray for strength to the family.

“ I am so sorry for your loss. I was teammates with Vedaant on the Varsity Tennis team, and the night after we both got eliminated at states, Vedaant, Chris, and I crept out in the early morning and walked half a mile down the road to a 7/11 and back to grab some cold brew coffees. We laughed and walked and talked over our regrets and I'll always remember that night fondly and cherish my memories of being on that tennis team with Vedaant. He was always the heart of the team. My heart goes out to your family.
