

Adam Michael Turner

September 6, 1991 - August 9, 2023

On August 9th 2023 Adam Turner died in a tragic motorcycle accident in Westland, Michigan, his place of residence. He is survived by his beautiful partner Vanessa Mendez (Turner) and beloved son Casey Turner; loving parents Michael and Imogen Turner; cherished siblings Samantha Turner-Lahey, Russell Turner and Michael Lahey; and adored niece Blake and nephews Carter, Victor and Oshea; precious dog Pito; and countless family members and close friends. Anyone who had the pleasure of having met Adam knows he was truly one of a kind. Truly. His fierce loyalty, quick wit, contagious laugh, zest for life, immense intelligence and deep love for his family shone through everything he did. The world has lost one of its best sparks. Adam was an avid lover of all things mechanics and was an established Senior Engineer at Neapco. When not working, he could be found spending time with his soulmate Vanessa, nurturing Casey with love and life skills, hanging with close friends or working on a side project. In all of these spaces the jokes would be flowing and his boisterous laugh would warm your heart. Adam was a tough man and a big softy, as evidenced by how eagerly he sat down to have a tea party with his one year old niece. Please send your strength as we need to borrow some to help us all wrap our head around his death. To honour him please share your stories of him widely and have a shot of Fireball. We're not sure where we go from here. For now we will take it one breath at a time.

“ *I have known the Turner family before they were the Turner family and was able to share with Mike and Imogen the birth of their children, our kids would play together from time to time and we would play together as well, usually with a beer and a laugh, visits to one another's home and up at the cottage. I was able to watch Adam grow from a sweet little boy into a kind and generous man with a big heart and great sense of humour. This loss is seems so unjust. I can only imagine the loss that you are all feeling, my love and strength goes out to you all.*

“ I knew him as a little boy. He was a sweet heart. His parents allowed me to sit for a week at my house. They had won a trip to England. Where Imogen was from. The week went by so fast. He was so helpful. And a darling. Love you always.
