“ To my dear great grand daughter Adelyn Rae Thorne. I am so sorry you did not get to live and love and be loved here on this earth. For whatever reason your place was to go straight to heaven where I am sure you were greeted with family so huge and full of love for you. We didn't know you would not be here with us but maybe they did and were waiting. So many Thorne grandparents, Jensen, Dalidowich, Pedrick, Delicate, Helwig, and more, they were all there so full of love for you while we on earth are so sad for our loss. I was so happy to learn I'd soon know, hold and love a great grand daughter. Your grandmothers both were happy to welcome and love you for your whole life. Just know from heaven you were loved and wanted and sadly will be missed forever. The hardest part is that we have to go on living with out you. Rest in Peace little angel. You are loved both in heaven and on earth. We will meet one day, on your side...Great Grandparents Dalidowich
