“ *I am one of Jackie's neighbors. So sorry to hear of her passing. My deepest condolences to her daughter and family. May God Bless and keep Jackie and you all close to Him. I suspect that Jackie is having good conversations in Heaven with my Dad and my brother, Randy, who painted her condo in the past. She would often comment to me about how Randy in particular would tell her a good joke and brighten up her day with his lively conversations when he painted.  
God Bless You All. Will keep Jackie and her family in my prayers.

“ Over the past 4 years bringing Jesus to Agnes in the Eucharist, I have come to love her almost as much as my own mom. My only regret is that I never really got to know her well. My sadness that we did not get to visit one more time is outweighed by my assurance that she is now in the arms of Jesus ....where I know she wanted so much to be. My prayers go out now to Sharon and her family.
