“ Dear Glen,

*I am so sorry to hear about the death of your father. I remember your dad, and have prayed for him (and your mother, and you) over the years on occasion. I truly pray for personal peace for you as you lay your dad to rest.*

*A Biblical Meditation about Martha's response to Jesus about her brother Lazarus' death:*

*"'Lord,' Martha said to Jesus, 'if you had been here, my brother would not have died. But I know that even now God will give you whatever you ask.' Jesus said to her, 'Your brother will rise again.' Martha answered, 'I know he will rise again in the resurrection at the last day.'*

*Jesus said to her, 'I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die. Do you believe this?' 'Yes, Lord,' she said to him, 'I believe that you are the Christ (Messiah), the Son of God, who was to come into the world.'" John 11:21-27*

*My deepest condolences,*

*Your friend, in Christ,  
Christine Koss*

“ Alan was the guiding hand that made my first job after college in 1977 a tremendous learning experience. He had the knowledge, experience and ability to question that made his thoughts not only advice but often a source of greater understanding. I will always remember him and be forever grateful for the help and guidance he shared with a young Material Engineer so long ago.

“ Alan and I worked together at Ford Motor Co for many years. He was a great friend and coworker who I could always count on for help and assistance through many projects. He was the authority on automotive plastics and their applications. Aside from work, we shared many rounds on a golf course, some fairly good and some not so good, but we always had fun and enjoyed the moment. Although I have been retired for slightly more than thirty years, and he almost as many, we managed to keep in touch and share memories. He will be sorely missed, and am pleased to have been counted as one of his friends.
