“ *Maureen, Katie, Anne Elise and Rosemary: we didn't know Alan as well as his parents Ann and Walt, and his sister Arlene . But the apple never falls too far from the tree and we are certain he was a wonderful husband, father and brother. We know your hearts are heavy...Alan fought the good fight until his last breath. May his memory be eternal.*

“ *To the Hyrila family -- my deepest condolences on the passing of Alan. From the days of the old neighborhood in Dearborn, Alan was always kind to us youngsters, and an inspiration to me to study engineering. He was truly a remarkable person. I remember listening to Fleetwood Mac on his audio setup around 1975 backed by a several hundred watts of Macintosh amplification. Wow -- it was incredible!*

“ Katie, my heart is with your family during this difficult moment. For the short time that I have worked with you, I have liked your character of hard work and pray that the demise of loving Dad will in no way affect your future. Encourage yourself in the Lord Jesus Christ and you will overcome every negativity. Until the sounding of the last trumpet (I Corinthians 15:51), let your Dad sleep.

“ I know Alan was an amazing father from the stories Katie told me about his wisdom he shared with his three lovely daughters and his fabulous sense of humor. I am glad the family was able to celebrate his 60th Birthday at Disney World - all together!! I love working with Katie - as do the 50 other employees here at SAIC. I knew she had incredible parents because she is a fantastic coworker and friend - a super special young lady. The apple never falls too far from the tree. Katie - I send my love to you and my thought and prayers are with you and your family.
