“ *I was looking at the obituaries from Plymouth, MI because someone I knew died today in Plymouth, MI I saw the name Luibrand, and knew it could be related to you folks. I remember when you visited Lidia and I in Little Lake and then our visit to your families many years later. And now many years have gone by again. Did you know that Lidia went home to heaven 2 years ago as the result of an automobile accident? It will be four years in July that I married. I don't remember ever meeting your Mom and Dad but I remember Lidia talking about them many times and how she loved and respected them. It is hard to lose those we love. I am always thankful for the comfort found in knowing the Lord Jesus. Would love to hear about you and your family. Eleanor*

“ Was a great summer in 2004 when we went to Montana and saw Uncle Al He had that 'twinkle' in his eye when we walked in. He recognized us right away. We had a great visit and I was really glad we stopped in and spent the time.

Claribel, We really enjoyed our visit with you that year it was great to be able to travel there and see you both. We love you and are continuing to pray for you. Love Sandy and Connie

“ I will always remember going to Great Uncle Alberts to cut the lawn. It was a neat adventure to mown down a trail through his back yard. I remember his kind laugh. Our prayers and thoughts are with all of you.

“ Planning on seeing you Sunday. This is one of those happy/sad times in our lives that we seem to experience more as we grow older. Happy that Uncle Al is home in heaven with all our family that went before him, most recently my dad. Sad because of the vacancy that his absence will leave in our lives. I still miss going to visit him and Clairbel. I set up my Christmas Nativity on December 4th and spent a lot of time remembering your dad. He made the Cr? che for my mom back in 1950 and I am so privileged to display it during the winter months of each year. I am truly grateful for the influence that both Uncle AL and Aunt Alice had on my life to study in seminary and to become the person I am today. My love and prayers go out to you all at this time. Love you Money
