“ I just saw this notice. I'm so sorry to hear that Aleda is no longer with us. She was such a sweetheart. I worked with her in Detroit at Lakeshore Toltest Corp. A group of us commuted from Chicago to Detroit and Aleda was the assistant to our CEO. She put up with so much from him. In just loved her.

“ Aleda and I connected from our first meeting . Aleda was a bright light with a big smile and a big heart We laughed and chatted, shared stories and had such fun together. We spent many good times together sharing some wine and charcuterie. We loved to gather shells and sharks teeth and hang at the beach bars and restaurants and just chat . You will be deeply missed my friend but we also talked about our next life and I know my Mom will welcome you and love you . ❤️ We will meet again of that I am sure . Thanks for being such a good friend .
