“ I didn't know Alex very well personally but when I was at parties where he was there I felt the love through his beautiful soul and from everyone around him. Jeff we have had conversations of your love and concern for Alex. You are such a wonderful dad and you took amazing care of him. My heart is filled with so much love for you all and I'm so happy that Julie and Katelyn have you to share their lives with. You are all in my prayers. Liz I need to tell you that you are a beautiful young lady with a heart to match. I'm so sorry that you lost your brother sweetheart. Alex's heart is connected with the love of heaven and heaven is shining a little bit more bright because of that. God Bless You all. Love you! ❤️🙏🌈
