

## Alexandra Marie Robinson Blose

September 13, 1987 - June 9, 2026

Alexandra Marie (née Robinson) Blose  
September 13, 1987 – June 9, 2026

Alexandra is the beloved daughter of Craig and Carol Robinson (née Rokicki) and loved sister of her brother Phillip and sister-in-law Nicole. Alex passed away suddenly from complications of a torn aorta.

Alex grew up loving sports and excelled in baseball, volleyball, hockey, and golf (hole in one on #2 at Sedona Resort). Her enjoyment of teamwork transferred to her career in the medical field – she was formally recognized for her patient advocacy skills when she worked at Mayo Clinic.

Alex had a quirky sense of humor, an adventurous spirit, enjoyed random acts of kindness, and never met a stranger. She made her mark on this world.

Alex will be missed by those who hold her most dearly – her aunts and uncles, cousins, dear friends, and her ever present companion Boomer – her sweet Aussie Shepherd.

A small private Mass was held at St. John Neumann Catholic Church, Canton MI.

May the Sacred Heart of Jesus hold her close.
