“ *Dear Mr. Burdzynska & Family, Please accept my condolences at the loss of your wife. I do not know you personally, but as you can see, your wife and I have a first name in common. I pray that you find comfort and strength to comfort your hearts in this time of sadness from the words in the Bible at John 11:25 and Psalm 147:3. Please read them when you feel up to it. Take care.*
