“ *Dear Darryl,
I am so sorry to here about your mother. We can only know that she will no longer be suffering and that the dear Lord will be looking after her now. Please express my condolences to the rest of your family as well. I will have to wait until I return from Malaysia to send my gift to the cancer society. I will keep you in my prayers while you take this time to remember all the good things you shared with your Mom and adjust to her not being present during your visits. But, as I have found since my Dad's death, you can still share your thoughts with her in prayer and she will continue to be a part of your life always.
Loving friend,
Melissa*
