

Alice L. Morgan

March 18, 1944 - January 27, 2026

Morgan, Alice L., January 27, 2026, age 81, of Canton, formerly of Greenwich, New York, where much of her family still resides. Beloved wife of Chuck for 61 years. Loving mother of Gary Morgan, Caroline (Dave) Massey, and Catherine Morgan. Devoted grandmother of Caitlyn (Kyle) Merritt, Victoria (Zach) Schaap, and Nick Massey, and cherished great-grandmother of Teagan, Ellie, Oliver, and Lincoln. Dear sister of Gary (Nancy) Spiezio, George (Marilyn) Spiezio, and Theresa (Rob) Seabury.

Alice was known for her kindness and selflessness, always putting others before herself.

Her greatest joy was being with her family. Some of Alice's fondest memories were made traveling near and far to watch her "grandbabies" and "great-grandbabies" play sports, proudly cheering them on wherever they played. Alice and Chuck were members of Travis Pointe Country Club, where they enjoyed golfing together and with friends.

“ To Alice’s Family,
We are very sorry for your loss. We are friends with Rob and Theresa and had the pleasure of meeting your family years ago. The one thing we noticed was the love and closeness you all have. What a gift to have such a tight knit family. It was a pleasure meeting Alice and her family. Please know that you are all in our thoughts and prayers.

“ As a child I remember hearing Aunt Alice's laughter through screen doors. The vision of her full faced smile, much like the one in the picture above, was something so special. The mischievous twinkle in her eye, like she just let you in on a little secret. I think of so many fleeting moments I had with her. Memories I will cherish.

To the cousins I have spent fun times with and the cousins I haven't met, there are whole bunch of people out East thinking of each of you. May you feel our love and vibes through the miles.

Love you all! Hugs! Megan

“ Dear Chuck and Family,
I am so very, very sorry and saddened for your loss. Alice ("Baby Lou", to me) was my cousin and my idol when I was growing up, living in the duplex with her parents residing on one side and my grandparents on the other side. She was always so kind, absolutely beautiful, and lots of fun during my young childhood. "Babe" was the big sister I never had. I had such a nice visit with her a few years ago when she visited her hometown of Greenwich, and I am SO GRATEFUL for that memory. We shared stories and memories of our younger years and laughed and laughed. She was a "gift from God" in my eyes. May she rest in peace knowing how much she was loved and appreciated and that she will be missed by so many. God Bless you and your family.
With love and hugs to all, Joni M. (Lamb) Henderson
