“ I was the church pianist at Owendale UMC when Rev. Alice served as our pastor. I so enjoyed getting to know her and work with her. Her musical talents were greatly appreciated. She had a special way of knowing what to do and say when parishioners needed her help and guidance. She was especially helpful when my family went through a difficult death. I would see her a few times at Annual Conference after she left our church. I always enjoyed her smile and a few minutes to get caught up. She was such a special woman! My thoughts and prayers are with her family and friends. Rhonda Powers

“ When we moved to the NorthLake area in 2003 we joined North Lake UMC where Pastor Alice was serving. When we joined the church she came by our house and gave us a potted hibiscus plant as a welcome and house warming gift. Over the years we divided that plant multiple times and gave parts to neighbors and friends. When we moved away to Ohio we potted up two plants and they are now thriving in our new flower beds in Ohio. Every year I would take a picture and send it to Alice to show her the lasting beauty that she lovingly shared with us. Here is the last picture I sent her last year. We will always remember and love you, Dear Pastor Alice.
