“ *To the family of Allan Meissner, I'm truly sorry to hear about the lost of your loved one. Death is such a enemy of mankind and it is something of that we will never accept as normal because death its self is abnormal. How happy it is too know that one of the promises in the bible states that their will be a return to life of all those in the grave this is found in the bible in the book of John 5;28,29. i hope that this scripture will bring you as much comfort as it has too me in the lost of my loved ones. May the family be reassurred that when this earth as been changed into a paradise all families will be reunited to enjoy the blessings described in the bible at Psalms 37;10,11.*

“ Dear Leslie and Family;
There are many fond memories that come to mind of times shared with your family. Your father Al was a happy and outgoing neighborhood Dad, always joking and playing with the dogs. Pat remembers the lovely Christmas open houses he and your mother Lois hosted, that seemed to center around the piano and it's Christmas tree. We are saddened at his passing and our deepest sympathies are with you, Barry, and your children. Sincerely, Tony, Pat, Antonio, and Christina Senagore

“ Dear Leslie and Family, I was planning on making it out to Plymouth this evening to pay my respects to my Godfather, but can not make it. Please know the great respect I've always had for your father. I remember him as easy going ,honorable , and most importantly someone you could always trust. In this time of sorrow, please except my condolences, to you and your family.

“ Dear family of Mr. Meissner, I am truly saddened by your great loss. It seems as if 90 years is still not enough time to spend with the ones we truly love. Please find comfort in God's promise: "The hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:28,29) Just imagine how wonderful it will be when we are reunited with the ones we truly love right here on a paradise earth.-Psalms 37:10,11,29

“ Leslie & Family, I met your father Allan Frank Meissner at Rotary Manifold Forms in 1952. We worked together until 1982 when I moved to Phoenix, Arizona. I have great memories of our times together at RMF. We had a great team of employees and your Dad was at the top of the list! Lois and Your Dad were so excited when she found out she was pregnant. The LO-RU School of Dance on Harper was never the same after your birth. When I talked to your Dad, he always told me how proud he was of your accomplishments and how tall your husband is and most respectfully how he adored the twins Connor and Christine. Your father was a great and loyal friend and he will be missed. Our deepest condolences to your and your family. George & Nancy Bledsoe Phoenix, Arizona
