“Casolari family, I too loved your mom. What a beautiful woman and a true Lady. I always noticed a special twinkle in her eyes. Even in her last few years she maintained that special softness in her demeanor that showed everyone how much love she carried within her. I feel so priveledged to have spent time with her, she has touched my life more than you can imagine. We are grieving with you all, but am so excited for her, to be standing next to and smiling at our Lord who loves her beyond all measure. I am sure in her dreams she couldn't resist going to that beautiful place, which we all long to go to someday. God has blessed her, and you too for having had her in your lives. We love you, and are here for you, Cheryl

“ We will so miss Alma. We will never forget our many boatripe and parties together. She loved being out by the lake - such a wonderful last few years you provided her. Will also never forget her Tigers Game birthday and how she went right up the stairs as a younger man tried to help her. She was such a trooper and loved being surrounded by her son and daughter and many grandchildren, great-grandchildren. My wish is to have her great sense of style and exquisite taste some day. She is with your Dad now and they are smiling upon you all. We are thinking of you. Love, Wayne & Julie
