“ *My heart goes out to the Lewis Family with deepest sympathy. You will have many questions about why? Or is it normal to grieve this way? What can others do to help you cope? How can I help others who are griveing? And principlally, what does the Bible say about a sure hope for the dead? Will I ever see my loved one Alvera again? And Where? There are satisfying answers to these questions as well as a Bible based hope. Please visit our official website www.jw.org*

“ *Im truly sorry to hear about your lost. Alvera will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Alvera again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.*
