

Alyssa Megan Bachert

November 17, 1986 - April 24, 2021

Alyssa Megan Bachert, age 34, of Tipton, MI, previously of Plymouth, MI, went peacefully to be with the Lord on April 24, 2021, surrounded by those she loved the most. She was born on November 17, 1986 in Dallas, Texas. She is the beloved daughter to Kevin and Rebecca Bachert, loving sister to Jenna (Joseph) Cairo and Nathan Bachert, precious aunt to Audrey and Gianna Cairo, dear granddaughter to Janet McDonald, and girlfriend to the love of her life, Brian Lauer. Lyss also leaves behind numerous aunts, uncles, cousins, many close friends, and her honorary nieces and nephews.

Alyssa attended school at Faith Lutheran in Plano, Texas, St. Paul's Lutheran in Northville, Michigan and graduated from Lutheran High School Westland in 2005. After graduating from Eastern Michigan University in 2009, she went on to utilize her degree as a Recreational Therapist. What she loved most about working in various assisted living centers, was the people she cared for on a daily basis. After "retiring" she never played Bingo again.

To those who knew Alyssa, they would describe her as the ultimate warrior. She overcame countless obstacles since her diagnosis over 10 years ago that no one should ever have had to endure. Her perseverance and strength helped her to not only fight off her illnesses, but do so with resilience and a positive attitude. Most of the time, no one would have even known what she was facing day to day.

Alyssa's wild spirit and contagious laugh brought joy to any room she walked into. She always put others before herself, even if she was having a bad day.

Her true gift was making people feel good about themselves and just being a listening ear to those that needed to talk or a shoulder to cry on. Her spunky attitude often put a new spin on life for others to see, and she made people feel important and special.

Her dog Lucy was her loyal companion and loved her dearly. Alyssa's love for her nieces was unconditional and it was a beautiful sight to see. She was a staple at Evans Lake, and on any day, you could see her riding a jet-ski, paddle boarding, kayaking, or playing corn hole; she was always up for fun. She loved playing games and mastered quite a few, most notably Mexican Train. She enjoyed telling stories, watching murder mysteries and going on adventures with her "sisters". She was the candy queen and we could always count on her for packing good snacks wherever she went.

She will be missed so dearly, and a hole will live in our hearts forever. We find peace knowing she is no longer in pain up with our Lord, Jesus Christ, but there is just never enough time. We love you Aly Mae and you will live in our hearts forever. Rest In Peace, beautiful girl.

“ Alyssa worked at Linden Square as the Life Enrichment Coordinator at Linden Square Assisted Living in Saline for several years while battling her cancer. I have to say that Alyssa was a light to our residents and our staff the entire time she was working at Linden Square. Always positive, always encouraging, Alyssa was a source of much joy and laughter and she will be greatly missed. Your family can be so proud of all that Alyssa accomplished and the love and joy she spread in her short life! I was blessed to know her. Scott Reenders

“ *Alyssa your courage and bravery will be something we will always admire. You were such a fun babysitter for Rachel one summer when you were in college and she was little, you were able to bring my reserved girl out of her shell and teach her not to take things so seriously. You will always be remembered by our family, every year, every month and every day. Our loss is heavens gain....until we meet again sweet girl.*

“ I won the roommate lottery when I landed Alyssa as my bunk mate Freshman year at EMU. We made our little cell block our castle, laughed too hard to fall asleep many nights, and were each other’s shoulder to cry on many times too.

Alyssa was so spunky. So beautiful. So kind. There was so much to love about her. Sending my love to the Bachert family. Love you always, Lyss.

I was stunned by the thoughtfulness of someone who was going through so much herself. What a special person! She will be missed.*
