“ *Amerigo was one of my first friends .He and Johny lived about 7 houses from where I lived. All of us realized that he was a very good athlete and leader...At Cooley HS he came into his own. Track and Football////Plus when he was in the 10th grade he realized that he needed to take the College Prep course for entry to college....So he took the ninth and ;tenth grade all over again and ended up graduating from Cooley with remarkable grades an also an honor society graduate...One last item My mother wanted to have a sweet 16 party for me .So she contacted Amerigo to help he ..He contacted all the girls and guys and the party was everything my mother asked for./...So Rick you will always be in my hall of fame

“ *My grandfather taught me the virtues of patience and hard work. I'll never forget the wisdom he instilled in me. I wouldn't have become the man I am without him. We both shared a love of films and I cherish the times he took me to the movies. I can't accurately convey the love I have for my grandfather. May he rest in eternal peace.*

“ *I was saddened to hear of the passing of Amerigo, who was my first cousin. Although we were many years apart in age, I always found him to be a kind soul with a good heart. I would like to convey our deepest condolences to your family in your loss.*

“ I am a first cousin to Amerigo who we often referred to as "Ricky." I also attended Cooley High School where he played football and was quite a hero in the hallways because of his achievements on the field. Even though I was 4 years behind him in school once I got to Cooley every new teacher I had asked me the same question, "are you related to Amerigo?" "Are you kidding me?" I thought! "Palarchio" was not like a Jones or a Smith, of course we had to be related. So in a way, Ricky was my claim to fame in high school.

*I remember the earlier years when Uncle Joe and Aunt Francis and Amerigo and Johnny lived on Lumpkin Street(I think if my memory serves me well) next to a Dairy company. Ricky was the football player and Johnny was the baseball player.*

*Anyway as happens in large families we drift apart because of jobs and moves but I often heard about what a nice family Ricky had and now I see he had 7 great grandchildren.*

*We just heard of his passing today through cousin Bill and are sorry we can't be present to express our condolences in person as we live in northern Michigan but we will say a prayer in church tomorrow that God will ease your pain from the loss of someone you loved and who loved you.*

*Sincerely, Mary Palarchio Skarnulis (Sam and Lena Palarchio's daughter) and her husband Patrick*

“ *So very sorry for your loss. What an amazing husband and father he was. We call look forward to the time in the future when we'll see the fulfilment of the verses at Rev 21:3,4,With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*
