“ *Uncle Harry was my favorite Uncle of all. He was kind, gentle and loved his mother and my mom without reservation. Uncle Harry did many of the household fix-it list at our house on Drexel, and my mom was always grateful for their time together. My most vivid memory is coming home from school and Uncle Harry would be there. Mom would have ready our special treat, Celery Rap and Oil. That was our special time, dipping together, our mouths full and the only sound heard was the crunching of celery. He also loved radish, rapped in Bartz bread dipped in oil, salt and pepper. I've passed on the special treat to my children and they too have memories of Grandma's house eating celery and oil. My memory will always be with my Dear Uncle Harry, eating celery and oil, creating memories for generations to come.*

*My dear Uncle Harry, your beloved grandpa is safe in the arms of our Heavenly Father. At my fathers funeral Uncle Harry told me to Forgive and then Forget, words I have so desperately try to master. I lit a candle at church and said a rosary for him. God Bless Uncle Harry, Rest in peace with your dear Mother and Father, Sister Mary, Brothers Martin, Ernie, Guy, & Andy. Wife Dolly, Children Judy and Jackie. Technology is great but know my heart is with you Aunt Stephanie and families. God Bless You Uncle Harry, your spirit lives on in my dear dear memories.*
