“ *I am so saddened to hear of your mothers' passing. Aunt Amy was so kind to my brothers and sisters and I, and we always enjoyed our visits to your house. The memories you hold closest to your hearts will keep her with you, always. God bless them both. Take care.*

“ *Dear Rick, Brian, Gary and Joan,  
It is absolutely unbelievable that both Aunt Amy and Uncle Bill have passed away. Our thoughts and prayers are so much with you. Aunt Amy was a very special person to me. She would always call to catch up on all the family news. We chatted at great lengths, and those times will always be cherished. She will be missed greatly. Your family needs to share all of the memories and life lessons shared with your mom and dad. Please take care, and we send a heartfelt hug to each of you.  
Love,  
Faith and Guy*
