“ *Beth, My heart sank when I saw Andy's notice in the Milwaukee paper today. His photo is just as I remember him eventhough we go back so many years at St Veronica's parish. I remember your family with much fondness and I am so very sorry for your loss. He was clearly taken from all of you far too soon.*

“ *Death leaves a heartache no one can heal, love leaves a memory no one can steal. My thoughts and prayers are with you all. Andy will be missed.*

“ *Chris and Sarah, I had the great pleasure of working closely with Andy, he was always a joy to be around. He was very proud of you Sarah, we talked about you all the time, he loved you two very much. He was a happy husband and dad. God blessed him in many ways, and will continue to look over you two from heaven.*

“ To the Baumann Family, I worked with Andy 12 years ago at JCI, and I'm in complete disbelief that he has passed away. I remember Andy being easy going, and always smiling and laughing. He was a joy to work with. Please accept my deepest sympathies, and I will keep you in my thoughts and prayers.

“ My sincere condolences to the family. My first memories of working at Johnson Controls involved Andy. It was 8 years ago. We worked on Customer Satisfaction issues at Ann Arbor Public Schools and Madonna University. Andy was always known to be the one to take care of his customers. I will miss him walking around the office while on his cell phone - working out his next deal. Still sad in shock today but wanted to send this message to you. To Andy's wife and daughter, know that Andy touched a lot of lives in a very positive way. I will always remember him. My prayers are with you. May God bring you peace and comfort. Ericka.
