“ I just learned of Andy's passing now. Words cannot express the sorrow. Evelyn and Kristin, my heart aches. I know he was your world. I always enjoyed our dinner visits and Andy's stories. Words just aren't coming right now. 😞

“ I remember the times we went out to eat and Andy would tag along because he wanted to keep up with the gossip. I also remember the fireworks parties when he would check out the food as it arrived and made sure that some was put away for later if it was something he liked. He always made me smile. I know he isn't suffering anymore, but I know he will be truly missed by many. I am praying for strength for the family to endure this difficult time.

“ Thinking of you all during this difficult time. So many memories from childhood of being together with my older cousins and my favorite aunt (Pat). May you find comfort in your memories and know that he is always watching over you. Sending love and strength to Kristin and Evelyn and Scotty XO Susie

“ I'm just at a loss as I'm sure everyone else is too. I will definitely miss you my friend. 💕 I'm sorry I can't pay my respects in person. I'm sick & don't want to spread this junk. 🤧
