“ *It is so hard to believe Andy is gone. He was the most loving, caring & generous man ever & always fun to be around & made everyone feel welcomed. His love for his parents & grandma were oh so obvious in words he spoke of them & memories he shared. He had such a passion for his participation in sports, such as bowling, softball, gift & hunting & he deserved every bit of this enjoyment considering how hard he worked his entire life. I am blessed with so many fond memories that I will forever cherish. May his family, friends & loved ones keep his spirit very much alive through the stories they share of great memories of him. Until we meet again my love, in my heart you will forever remain of the most cherished memories ever.*

“ *Dear Plaza family,  
Jerry and I send our prayers and sympathies upon the loss of Andy. Unfortunately we are unable to attend his funeral Mass due to a family wedding at the same time.  
Be assured of our prayers. A donation will be sent to the Capuchins in honor of Andy.  
May he rest in peace and may the Resurrected Lord give his family the peace only He can give.  
Love,  
Jerry and Lorraine McFee*

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Andrew. It is truly humbling to receive memorial donations in honor of his life. Please be assured of the brother's prayers for the entire Plaza family during this great time of grief. May perpetual light shine upon Andrew.

“ My Godson was a good hardworking man who cared about his dad and mom. He has two accomplished children. I played on several men’s softball teams with him. He was a good athlete. We were golf partners for years. I played in several golf outings that were a lot of fun, especially when we won. He got to know my son because of golf. We pheasant hunted and deer hunted many times. By his picture, he was proud of the huge buck he took. He also was a good bowler. We had him over for dinners throughout the years. Whenever he invited us for a family function, we were always there. He attended my two children’s weddings with one being in Chicago. He was a generous man and fun to be around, If you needed help, he was there. I am extremely sorry he is gone, too soon, but not forgotten. I’ve lost a friend.
