“ *Mom I thank God for the opportunity that I had the pleasure of meeting you. I remember the time I had snapped the picture of you and your son (Teddy) with a pretzel in your mouth and how it looked like a cigar. What a laugh we had. You meant the world to me, the time was short but great. Now you are at peace and with the Lord.*

“ Auntie Angie such a dearheart. My dad's spunky little sister. Sprite-like, always generous with your sparkling energy and sense-of-humor. You happily lived the code "children are to be heard AND seen." Thank you for truly awesome childhood memories...and for introducing me to the 100,000 Grand chocolate bar ! The twinkle in your eyes will forever shine on in my heart, as well as your affectionate *cheeks pinch* shall also remain permanent on my face. Forever and always, I love you, auntie. xoxoxoxo

“ Being the baby of the family and the last of your siblings was so hard on you - missing them for so long. Now you are all together again. Give my dad (Walter) a hug from me. You were always loved by me and my girls; always a fun person to be with. I will always remember your comment to single girls about "finding a pair of pants" (referring to a boy friend). Rest in peace and enjoy being with your brothers and sisters. Love, Joan

“ You are all in my thoughts and prayers as you celebrate her life. I pray that you can hold on to the good memories. I know Darla, Dusty, and Dawn were grateful for her guidance and love as their Gramma! I thank you, Angeline, for being a part of bringing them into this world.

“ Good by MOM. The Lord is your shepherd, you shall not want. He made you lie down in green pastures; He led you besides still waters; He restored your soul. He led you in the right paths for his name sake and now you are up there with Him. Mom you touched many of hearts in your short 93+ years, you shall be missed. Love your son Teddy
