“ My "Dearest" Aunt Georgia, I know how "difficult" this period of "time" must be for you.... I just want to tell you, i know the "angels" of "God" are watching over you, and giving you strength to carry on.... It felt so "good", and "familiar" sitting in Big Boy's listening to your "wonderful" stories, next to Mary, like we were little girl's again! I "love" you more then word's can say. And to my "cousin's" Mary, Kathy, Tommy, ("welcome home! cousin!) and Andy, I "adore" you, and will "pray" for your "happiness", always....
