“ During this season of gratitude, I am very thankful to have known, been loved by, and prayed over by this formidable woman of faith. She lived life on her own terms. She had a limitless capacity for love. She was a mother to all who needed compassion. Miss you Aunt Ann, but know you are home.

“ I am saddened by the passing of my aunt Ann Thursday night. I have known her my entire life. I have never met a more loving and kind person. There was never a doubt about where you stood with her. I always knew she loved and genuinely cared for me. Her passing will leave a void in my life as well as many others, no doubt. The consolation is that she is reunited with uncle Jack and Meliah. Love you forever, rest in peace dear aunt.
