“ I went to school with Ann Marie from 6th grade through high school. Our "gang" consisted of Ann Marie, Dorothy, Christine, Barbara, Jeanette and myself. In high school, Toni and Alyce joined us. My husband who also graduated from Cody would see her often when he worked at thje G.M. building. The last time I saw her was ariound 2000 at a school reunion. I hosted the group a couple of times but, unfortunately she wasn't able to attend. I am so sorry for your loss. She was a wonderful person and I am so sorry that we didn't get together again. We had so many happy and fun times together when we were young and I have some awesome pictures of our group throughout those years. If you'd like some, please don't hesitate to contact me.
