“ *Barbara, I am so sorry for your loss. I'd like to believe that we never lose the people we love, even to death. They continue to be with us every day....whether we hear a song that reminds us of them or catch the sweet scent of a flower that they loved... Their love leaves an indelible imprint in our memories. And I hope that your life was enriched by your mother's love for you. Take care and God bless you and may your mother rest in peace...*
