“ We are all very saddened by Ana’s early passing, and we send our heartfelt condolences to her husband Jim, her Mom, children, grandchildren and to all who loved her. She has left this world, but she still lives among us through her children, and grandchildren. May God take away all her pain and worries, and may he receive her in his warm and loving embrace.

“ She will be missed. There are too many memories to write here. It was always fun being at the house and just hanging out with the family. I will never forget our trip to Florida. Our hearts are deeply saddened with this. We know how hard it is. One thing for sure she made "Yalaktopouriko" Custard Rolls like no one else could. I will always remember you made them with love and you never forgot me. I always got some. May your memory be forever ~ Athena
