“ Dearest Mary Jo:

*How very much the women of this generation sacrificed for their families. What a lovely looking woman she was...and yes, I can see you in her face. She must have been as loving and caring as you. I shall always remember our friendship during high school. My husband, Chris, was taken care of Vermeulen, after a 40 month battle with colon/liver cancer. Please extend regards to Bill Vermeulen.*

*Try to focus on all the loving good memories shared with you mother. Find a special place in your heart to tuck those memories away, visiting whenever the need arises.*

*Take care my friend.*
