“ We will always remember the quiet, dignified, and stately grace of your mother, Anne. She impressed and inspired us in so many ways. Her legacy is firmly established in our hearts and in our minds.

*The times we shared with her through the years were always enjoyable, refreshing, uplifting and inspirational. She had a quiet demeanor and a reserved smile that was her unique signature. She made one feel comfortable and happy in her presence.*

*It has always been an honor and a privilege to be a part of her life. We hope that the happy memories of times you spent with your mother will soon replace the sadness that you feel at this time.*
