

Anneke Jo Kimpel

December 31, 1950 - July 24, 2021

Anneke Jo (Crouch) Kimpel, age 70 of Farwell, passed away peacefully at her home on Saturday, July 24, 2021 with her loving husband by her side. On December 31, 1950, Anneke was born to James T. and Barbara (Tibbs) Crouch in Niles Michigan. After spending all of her early life in the Metro Detroit area, Anneke moved to Mesa, Arizona where she lived for thirty five years before returning to Michigan in 2018. While in Arizona, Anneke met Larry Kimpel and were united in marriage together on November 1, 1991- enjoying nearly thirty years of marriage together. Anneke proudly served twenty-five plus years as an employee of the U.S. Postal Service, starting as a mail carrier and finishing her career as the head of building maintenance. Those that knew Anneke well, knew that she was an avid reader and loved to travel the West Coast states with Larry-especially San Diego and Vegas, but Anneke's greatest joy was hiking Arizona's Superstition Mountains-often logging twelve or more miles a weekend.

Anneke is survived by her husband Larry Kimpel of Farwell, her daughter Angela (Craig) Hewitt, step mother to Jason Kimpel and K.C. Wardwell, sister to Jeff Crouch, Kathleen (Jason) Trudeau, nephew Gavin and step mother of Kristina Crouch. Grandmother to Daniel and Amber Fandrey and her great-grandchildren Caleb and Isobel Fandrey. She was preceded in death by her parents James and Barbara Crouch.

In keeping with Anneke's wishes, cremation has taken place. A memorial visitation Friday, July 30th 2-4 PM and a service 4-4:30 PM in her honor will

“ *Sending love and prayer during this difficult time.*

There are people you meet on this journey we call life that connect deeply in your heart. You may not have the pleasure of connecting often but when you get together again you don't miss a beat. Anneke was a unique as her name, always loving, kind and compassionate. WE met in the 7th grade and had fun times. She did not have an easy life there were many challenges and lessons along the way, we call that schoolhouse earth. She was determined to make the best of everything and that she did! A hard worker, dedicated friend, mother and wife I am so happy you are free now my dearest friend, beautiful soul. I love you always, see you on the other side.

“ My dearest friend; you are my best friend and you make me smile everyday. There's so many reasons to why you're my best friend but the most important one is that you never left me. You never gave up on me, through my good and my bad phases you were there and I am here for you. You will be in my heart forever till we meet again. I'm going to miss you very much. But now you're in a nice place and I know you're looking out for all your loved ones. I love you more than myself. God bless you love always Colleen

“ Anneke and I were not close in High School, but as I was getting our class reunion together, she sent me a sweet note saying she couldn't make it! Lois Rheahme and I were just talking about her and how sweet she was! I won't forget her! ❤️
